Environ Professional, Cool Peel & DF Certification Agenda

Day 1: Monday, October 19

9:00 am: Check-In

9:30 am: Environ Professional Range & Treatment Protocols

- Environ's professional back bar products
- Environ's treatment flipchart and protocols

Environ Cool Peel Technology

Discover the real benefits of chemical peeling. No longer is it necessary to torture the skin or to 'peel like a snake' in order to achieve results. In fact this is far from what is best for optimal skin health and appearance. Learn how the advanced Cool Peels create effects on the skin to make optimal appearance changes without the downtime. Proper indications, expectations, protocols, pre-post care and client follow-up will be discussed.

- Indications and types of peels for the visual appearance of problematic skins, pigmentation, fine lines, rosacea, and photo-damaged skin
- Overview of traditional chemical peels
- Environ science of skin peeling

12:00 pm: Lunch Break

1:00 pm: Environ Professional & Cool Peel Demonstration and Hands-On

5:30 pm: Workshop Adjourns

Environ Professional, Cool Peel & DF Certification Agenda

Day 2: Tuesday, October 20

9:00 am: Check-In

9:30 am: Electro-Sonic Ionzyme DF Machine

For over 30 years, Environ has remained at the forefront of skincare innovation with revolutionary product formulations and pioneering skincare technologies. Developed by Dr. Des Fernandes, world renowned plastic surgeon, the revolutionary DF Machine combines the efficacy of low frequency Sonophoresis with pulsed Iontophoresis all in one probe. Environ's scientifically proven Dual Technology harnesses the power of both modalities to speed up and intensify treatment results.

12:00 pm: Lunch Break

1:00 pm: Environ Professional & DF Machine Demonstration and Hands-On

5:30 pm: Workshop Adjourns

*This certification program, required to be attended **LIVE** by all Environ Skin Care Providers, will ensure a thorough understanding of treatment products and protocols and offer the opportunity to watch, receive and perform treatments. After attendance is verified, you will receive three digital exams, a Professional exam, a Cool Peel exam, and a DF Machine exam via email. If you achieve a passing rate of 80% or above on each exam, you will then receive a digital certificate for the corresponding exam. If you do not pass, you will have the opportunity to review the exam(s) and your answers with your consultant or the Director of Education and re-take the exam(s).*
