

Beyond the Basics: Environ Clinical Workshop

Wednesday, October 21

9:30 am: *Check-In*

10:00 am: *Advanced Retail Conversations & Protocol Building*

An open-format discussion focused on advanced skin consultations, treatment planning, regimen customization, and navigating complex client concerns through the Environ algorithm.

Peel Science & Treatment Strategy

A focused introduction into Environ's peel philosophy, including treatment indications, layering concepts, consultation considerations, and strategic protocol integration.

11:30 pm: *Lunch Break*

12:30 pm: *Hands-On Peel Demonstrations*

A practical, guided session where attendees will observe and perform advanced peel applications with emphasis on technique, customization, and treatment flow.

3:00 pm: *Workshop Adjourns*

Come Meet Candace Noonan!

Candace is a Licensed Esthetician and Master Trainer for DermaConcepts, exclusive distributor of Environ Skin Care in the USA, and hosts advanced trainings on this pharmaceutical grade line. She holds certificates for internationally recognized programs including Advanced Skin Analysis, Dermal Needling and Oncology Esthetics, and is a proficient public speaker at medical and skin care conferences throughout the USA. Her belief is to never stop learning, in hopes of sharing the knowledge gained by her continued studies. Born in South Africa, and having personal experience battling Melasma, she feels her passion for skin care is her biggest asset.
