Winner: Best Microneedling Tool

Cosmetic Gold Roll CIT Environ Skin Care

Plated with 14-carat gold, this CIT roller has 260 ultra-fine definition points of .2 mm that penetrate the skin and enhance the effectiveness of topical ingredients used on the skin, while also restoring the look of skin tightness and reducing the appearance of fine lines and scars. The 14-carat gold finishing on the roller naturally suppresses bacteria growth and makes it easy to clean. www.environskincare.com

FINALIST:

Hydro-Lipidic 3DSynerge Filler Creme Environ Skin Care

This booster targets the appearance of lines, wrinkles and loss of volume to help provide visibly smoother, firmer, naturally fuller looking skin. www.environskincare.com
