

SHAPED IN SCIENCE.

empowered by Environ

Body EssentiA® Contouring Cream

Experience powerful 3-dimensional body contouring effects to visibly smooth, firm and reshape the appearance of dimpled, lax and unevenly textured skin.

An intelligent formula with a powerful tri-complex; Intenslim™, Phytosonic™ and Vexyl™ SP; combined with added high potency antioxidant vitamins C, E and moisturizing pro-vitamin B5 leaves the skin looking healthier, beautifully defined, with a luxurious silky after-feel.
