SKIN TECH+

Environ Skin Care offers you the most technologically advanced approach to creating future beautiful skin by boosting the benefits of Environ's powerhouse serums with professional-grade, handheld home use Skin Tech+.

The DF Mobile's Dual Electro-Sonic Technology helps to deliver more of the essential nutrients the skin needs, to where it needs them most, resulting in the noticeably improved look and feel of skin texture, health and youthful radiance.

"As part of my personal mission to future-proof skin around the globe, I wanted people to be able to harness the power of Environ's DF Technology from the comfort of their home and support their Environ Professional Facial Treatments."
