

Focus on **FLAWLESS.** *Conquer with* **CLARITY+**

Take charge and conquer the appearance of confidence-crushing breakouts and reveal clear- and healthy-looking skin with Environ's new Focus Care Clarity+® Range.

1 Clean. **2** Control. **3** Clear.

**BOTANICAL INFUSED
SEBU-WASH
GEL CLEANSER**

This foaming face wash assists in washing away dirt and excess surface oil, leaving the skin feeling refreshed and clean.

**BOTANICAL INFUSED
SEBU-TONE
CLARIFIER**

Containing clarifying exfoliators and sebum-regulating ingredients, this toner helps to remove the build-up of surface dead skin and minimize the appearance of an oily shine.

**HYDROXY ACID
SEBU-LAC
LOTION**

This non-oily lotion containing a special combination of exfoliates and moisturizers helps to combat the signs of breakouts and assists in improving the appearance of skin texture.

**VITA-BOTANICAL
SEBU-ACE
OIL**

Scientifically formulated with botanicals and vitamins, this lightly textured oil helps to prevent the appearance of breakouts by providing skin with a daily dose of essential vitamins.

**BOTANICAL INFUSED
SEBU-SPOT
BLEMISH GEL**

A targeted spot treatment that is specifically formulated to help minimize the appearance of visible spots and breakouts.

**HYDROXY ACID
SEBU-CLEAR
MASQUE**

Containing a combination of exfoliating acids, this cream masque helps to clear the appearance of existing breakouts.

ENVIRON®
