**MULTI-BIOACTIVE  
MELA-PREP LOTION**

This luxurious lotion assists in creating the appearance of a brighter, more even-toned complexion.

**MELA-FADE SERUM SYSTEM**

The combination of serum A and B in this innovative serum system assists in targeting the effects of the root causes of skin discoloration whilst helping to improve the appearance of uneven skin tone and visible sun damage.

**INTENSE C-BOOST  
MELA-EVEN CREAM**

This technologically advanced vitamin C infused cream assists in revealing the look of a brighter, more evenly radiant and healthier-looking skin.

For optimal results, include either the Cosmetic Focus-CIT®, Cosmetic Roll-CIT®, or Cosmetic Gold Roll-CIT® into your daily skincare routine.

**ENVIRON®**  
a beautiful skin for a lifetime
