DERMACONCEPTS®

invites you to join us and learn about our new state-of-the-art, groundbreaking products, treatments, and technology.

Name of course:	**Melanogenesis Masterclass: Beyond Pigmentation**
Course descriptor:	Fresh from our recent Regional Training in Chicago, this advanced masterclass was **recorded LIVE**—and it was an absolute hit with attendees! Melanogenesis: Beyond Pigmentation takes a fascinating deep dive into the science of pigmentation, exploring the complex cellular signaling pathways, inflammatory triggers, and biological mechanisms that influence melanin production. Discover how a deeper understanding of skin science can transform the way you approach pigmentation concerns and develop more intelligent, results-driven treatment strategies with Environ. The energy in the room was incredible, the feedback was fantastic, and now you can experience it for yourself! The recording is officially available, and it's a MUST-WATCH! Get ready to take your pigmentation knowledge to the next level!

Fee:	$25

Presented by Candace Noonan, an industry expert and Master Trainer for DermaConcepts. As a licensed esthetician, she conducts trainings on the efficacy and science of products and ingredients, as well as hands-on demonstrations. Graduating as a facial specialist, she continues to educate herself and stay abreast of this ever-changing, very exciting industry.

Access to the webinars is limited
to licensed professionals in the United States.

Upon approval to attend, a confirmation email will be sent with instructions to join the webinar, 24 hours prior to the start time.
