PRESS RELEASE

Mashpee, MA, MARCH 2021:

*Building on the legacy of beautiful science and leadership in skin health, Environ introduces **NEW Body EssentiA® Contouring Cream**, a revolutionary innovation to help visibly smooth, firm, tighten and reshape the appearance of skin with powerful 3-dimensional contouring effects.*

3-DIMENSIONAL BODY CONTOURING EFFECTS

New Body EssentiA® Contouring Cream assists to visibly improve the appearance of dimpled, lax and unevenly textured skin, targeting areas such as the jawline, upper arms, abdomen, buttocks, thighs and knees. It's recommended that the lightweight quick-absorbing Contouring Cream is gently massaged into the skin mornings and evenings followed by Environ's Body EssentiA® Derma-Lac® Lotion and A, C and E Oil. Together more powerful than alone, this extraordinary trio supports an overall healthy and resilient skin appearance.

POWERFUL TRI-COMPLEX WITH SPECIALIZED INGREDIENTS

Scientific research has shown that:

Ingredients

- Intenslim™
- Phytosonic™
- Vexyl™ SP
- Vitamin C
- Vitamin E
- Pro-Vitamin B5

Benefits

- Assists to smooth, tone, firm and tighten the appearance of skin.
- 3-dimensional contouring effects.
- Assists to protect the skin from the effects of free-radical damage.
- Skin looks and feels more hydrated, silky soft and nourished.
- Promotes a healthy-looking, resilient skin appearance.
- Helps keep skin feeling soft and smooth.

ENVIRON'S APPROACH TO ACHIEVE OPTIMAL RESULTS

1. Incorporate Environ's Cosmetic Micro-Needling Technology - prepare the skin with Environ's Cosmetic Body Roll-CIT® before applying the Contouring Cream to help deliver more powerful ingredients to where they are needed most.

2. Enhance results with Environ's Professional Focus On Body Profile Treatment. Developed by Dr. Des Fernandes, this pioneering intensive, 30 minute body treatment safely delivers more of Environ's powerhouse formulations.

This powerful approach is shown to deliver optimized results, and can be recommended as a non-invasive option.

ENVIRON TRIALIST REVIEWS

"I started to see a change within 3-4 weeks. My skin looked, tighter, firmer and smooth."

"I had 6 treatments and it was amazing and very comfortable. My partner and I could see change after 2 treatments."
