

## Take youthfulness to the next level

Push the boundaries of skin care and future-proof your skin, with the Youth EssentiA® Vita-Antioxidant Defence Crème Plus and Vita-Peptide Intensive Serum 4 Plus – the ultimate step in Environ®’s globally acclaimed premium Vitamin A step-up system.

*For radiantly youthful-looking skin, use these products as a duo. The Defence Crème Plus assists in combating the effects of free-radical damage and the Intensive Serum 4 Plus leaves skin looking younger and more resilient, through a combination of the highest possible levels of vitamins and antioxidants, powerful Juvinity™, peptide complexes and moisturizers.*

# THE ULTIMATE *age defying duo*

For those Environ® users who are accustomed to higher levels of vitamin A, this dynamic duo will take your skin routine one step further. With leading-edge vitamin A innovation, this duo helps reduce the visible signs of aging and assists in improving and maintaining the appearance of a more youthfully radiant complexion.

*Powerhouse ingredient combinations.  
Highly effective Vitamin A step-up system.  
Powerful age defying benefits.*

“I believe that the Youth EssentiA® Defence Crème Plus and Intensive Serum 4 Plus, are the best solution to future-proofing skin.”

Dr. Des Fernandes, Environ® Scientific Director.

Experience the future of youthfulness for yourself.
