

# Swiss Vitamin Institute Certification

**Environ's Youth EssentiA** - This premium range of skin care products uses science to push the boundaries of youthful-looking beauty by enriching skin with a highly effective combination of vitamin A, antioxidants and peptides. The Vita-Peptide C-Quence Serums 1 to 4 and Intensive Serum 4 Plus contain increasing levels of vitamin A and C and progressively enhance the skin's appearance to feel comfortable throughout the **Vitamin A step-up system**.

The Vita-Peptide C-Quence Serums have been awarded the **prestigious certification of the Swiss Vitamin Institute**. This confirms that the consumer receives the highest quality product with the declared vitamin content therefore fulfilling the promise of the Environ radiant glow.
